Interesting how mass shootings are happening in Florida, even affluent suburban high schools. There has never been a mass shooting of the scale we are seeing at an inner-city working-class immigrant high school

Yes, that's the mechanism. You can introduce it when you are ready.

Format looks fine to me. Yes, you need an ordinance. Terry

Hello Ken, Terry:

I am forwarded a draft Council Motion instucting the Deaprtment of City Planning, in consultation with the City Attorney, to prepare and present an ordinance to remove inclusion of a certain property from the boundaries of the Pico-Union HPOZ.

I am assuming that since the HPOZ was enacted via ordinance, the mechanism to alter the geographical boundaries is to prepare a new ordinance, and thereby repeal the boundaries of the original Pico Union HPOZ boundaries. I wanted to confirm if this is, in fact, the proper procedural mechanism.

Ken, you may recall discussions with representatives of the property at [1330 West Pico Boulevard](#) as well as Jenna Snow, the historic preservation consultant they retained.

We would like to proceed and introduce the Council Motion, referring it to the PLUM Committee.

If you have any comments or concerns, please advise.

Thanks,

Gerald
